

## About Me - Robert Howard

I live and create in Fort Collins, Colorado. I am currently designing and making kinetic sculptures . Recently I was asked by my talented "knitting" wife to create a pin to hold her shawl together. The first pin was met with such enthusiasm by her student knitters that more designs followed. Yarn Overs are now being sold exculsively in yarn shops in Fort Collins and Boulder, Colorado. If you would like to see more of my creations, go to [www.coloradowindsculptures.com](http://www.coloradowindsculptures.com) .
